

## EUROPEAN DISC GOLF CHAMPIONSHIPS 2016

### COUNTRY INFO & ROADMAP

Here's an info package about the 2016 European Disc Golf Championships. More detailed info will be sent to countries captains once the captains have been announced on December 9th 2015.

#### 2. TEAM CAPTAINS MUST BE NAMED BY DECEMBER 7TH

Team captains will be published on the EDGC website on December 9th.

Please send the following information to Jukka Teräs by December 7th 2015:

-  Full name of the captain
-  Captain's email address
-  Captain's phone number

You're welcome to announce your country's captain before the date. The sooner we have the contact info of all captains the better.

#### 3. CAPTAIN'S DUTIES

Being the captain is an honor but the role has its duties as well. The captain is responsible for:

-  All communication between the event organizer and his/her country's team. (Whenever the organizer sends information that must reach the players, the captain must forward the information to all players.)
-  Registering his/her country's team to the event.
-  Taking care of the entry fee payments. (How each country organizes the entry fee payments is their own internal matter. A single payment from a country should be made in each appropriate phase.)
-  Making sure that his/her country's team is present at the events where they are required to be. (More detailed week schedule for the event week will be delivered in summer 2016.)
-  Representing his/her team during the event.

#### 4. ENTRY FEE PAYMENTS

The EDGC 2016 entry fees will be paid to the Finnish Disc Golf Association, which also pays the prizes after the event. All countries must pay the entry fees of their players in a single payment. A separate quote will be sent to the team captain when the captain has registered his/her country's team.

## 5. IMPORTANT NOTICE ABOUT PRIZE PAYMENTS

The Finnish law obligates all sports event organizers to withhold a fixed 15% tax of all prize payments to foreign persons. E.g. this means that if a player receives 1000€ as a prize, 850€ will be paid to the player while 150€ goes to the Finnish state. Finnish players are also liable to pay taxes of their prizes but the domestic taxation of prizes is handled differently.

MJ1 is a trophy/medals division only. The organizer may provide product prizes in addition.
